Matthew Weiderspon

presence

imagined	real
environment	self
experience	object
sacred	everyday
strength	vulnerability
contemplation	action

and (is)

the structures in-between –

mediated meditations
awakenings

light, touch, breath
shifts, subtle hues between snow cold and body warm
passage,
only moments ephemeral
recognitions

of heart secrets
Hesse
centerings but

searches

edges
balancing
attempted reconciliations of difference

hurt, hope

cyclical

ritual
